Hong Kong Journal of Emergency Medicine (HKJEM) Declarations Form

A declarations form must be submitted for ALL types of manuscript. *HKJEM* operates a double-blind peer review process, so please do not include names of any authors or institutions in this form as it will be seen by peer-reviewers.

The <u>HKJEM</u> declaration policy document should be read before filling in this form. This provides options for
many of the declarations below.
Title of Manuscript:
Declaration of Conflicting Interest:
Funding:
$\textbf{Ethical approval} \ (include full name of committee approving the research and if available mention reference number of that the proving the research and it available mention reference number of that the proving the research and it available mention reference number of that the proving the research and it available mention reference number of that the proving the research and it available mention reference number of that the proving the research and it available mention reference number of that the proving the research and it available mention reference number of the proving the research and it available mention reference number of the proving the research and it available mention reference number of the proving the research and it available mention reference number of the proving the proving the research and the proving the research and the proving th$
