

# DETAILED CONTENTS

|   |              |
|---|--------------|
| <b>Foreword</b>   | <b>xix</b>   |
| <b>Preface</b>  | <b>xxiii</b> |
| <b>Acknowledgments</b>  | <b>xxvii</b> |
| <b>Section 1. Important Contexts for Research on Classroom Assessment</b>               | <b>1</b>     |
| <b>Chapter 1. Why We Need Research on Classroom Assessment</b>                          | <b>3</b>     |
| A Changing Context for Research on Classroom Assessment 4                               |              |
| <i>Advances in Measurement</i> 4  |              |
| <i>Advances in Learning and Motivation</i> 7  |              |
| <i>High-Stakes, Large-Scale Testing</i> 8   |              |
| <i>Formative Assessment</i> 9   |              |
| <i>Standards-Based Reform</i> 10  |              |
| <i>Advances in Technology</i> 10  |              |
| The Accumulation of Knowledge About Classroom Assessment 10                             |              |
| <i>Research on Formative Assessment</i> 11  |              |
| <i>Research on Student Self-Assessment</i> 12   |              |
| New Directions for Classroom Assessment Research 12                                     |              |
| Conclusion 14   |              |
| References 14   |              |
| <b>Chapter 2. Classroom Assessment in the Context of Learning Theory and Research</b>   | <b>17</b>    |
| Classroom Assessment and Learning Progressions 17                                       |              |
| <i>Enter Learning Progressions</i> 18   |              |
| <i>Future Research on Learning Progressions</i> 20                                      |              |
| Self-Regulated Learning and Classroom Assessment 21                                     |              |
| <i>Classroom Assessment and Goal Setting</i> 22   |              |
| <i>Success Criteria</i> 23  |              |
| <i>Classroom Assessment and Monitoring of Progress Toward Goals</i> 24                  |              |
| <i>Classroom Assessment and Interpretations of Feedback Derived From Monitoring</i> 28  |              |
| <i>Classroom Assessment and the Adjustment of Goal-Directed Action</i> 29               |              |
| Feedback and the Brain 29   |              |
| Recommendations for Future Research 30  |              |
| References 31   |              |
| <b>Chapter 3. Classroom Assessment in the Context of Motivation Theory and Research</b> | <b>35</b>    |
| Classic Reviews of Motivation Theory and Classroom Assessment 35                        |              |
| <i>Weiner and Attribution Theory</i> 35   |              |

|  |    |
|--|----|
| <i>Landmark Reviews of the Effects of Evaluation on Students</i>                 | 36 |
| Current Trends in Motivation Research and Classroom Assessment                   | 39 |
| <i>Self-Regulation of Learning</i>   | 40 |
| <i>Assessment and the Phases of Self-Regulated Learning</i>                      | 41 |
| <i>Assessment and the Role of Evidence in Self-Regulated Learning:</i>           |    |
| <i>Monitoring and Reaction/Reflection</i>  | 44 |
| <i>Assessment and the Motivation/Affect Area of Self-Regulated Learning</i>      | 46 |
| <i>Assessment and the Context Area of Self-Regulated Learning</i>                | 48 |
| Conclusion   | 50 |
| <i>Conclusion One: Classroom Evidence Can Be at the Same Time the Goal</i>       |    |
| <i>of Motivated Learning, the Summative Purpose, and a Means to It,</i>          |    |
| <i>the Formative Purpose</i>   | 50 |
| <i>Conclusion Two: The Student, the Learner, Is at the Center Both of</i>        |    |
| <i>Motivation for Learning and of Assessment for Learning</i>                    | 50 |
| <i>Conclusion Three: Future Studies of Classroom Assessment Need to Consider</i> |    |
| <i>Student Motivation, Especially Self-Regulation of Learning, and Future</i>    |    |
| <i>Studies of Self-Regulated Learning Need to Consider the Evidence</i>          |    |
| <i>Students Use for Their Judgments, Much of Which Comes</i>                     |    |
| <i>From Classroom Assessment</i>   | 51 |
| References   | 51 |

#### **Chapter 4. Classroom Assessment in the Context of High-Stakes Testing** 55

|  |    |
|--|----|
| Overview of Assessment Sources of Information                      | 56 |
| Classroom Assessment   | 56 |
| <i>Purposes of Classroom Assessment</i>                            | 56 |
| <i>Designing Classroom Assessment</i>                              | 57 |
| <i>Analyzing Student Understanding</i>                             | 57 |
| Interim Assessments  | 58 |
| <i>Purpose of Interim Assessments</i>                              | 58 |
| <i>Development of Interim Assessments</i>                          | 58 |
| <i>Analyzing Student Understanding</i>                             | 59 |
| Year-End Assessment  | 59 |
| <i>Purposes for Year-End Assessment</i>                            | 60 |
| <i>Development of Year-End Assessments</i>                         | 60 |
| <i>Analyzing Student Understanding</i>                             | 60 |
| A Balanced Assessment System                                       | 61 |
| <i>Relationships Among Assessment Sources</i>                      | 61 |
| <i>Steps to Investigate Learning Differences Between Classroom</i> |    |
| <i>and Large-Scale Assessments</i>                                 | 61 |
| Assessment Practices That Facilitate Student Learning              | 65 |
| <i>Multiple-Choice Items</i>                                       | 65 |
| <i>Performance Tasks</i>   | 65 |
| <i>Feedback</i>  | 66 |
| <i>Rubrics</i>   | 66 |
| Future Directions  | 66 |
| Implications for Classroom Assessment                              | 67 |
| References   | 68 |

#### **Chapter 5. Research on Teacher Competency in Classroom Assessment** 71

|   |    |
|---|----|
| Research Investigating Teacher Preparation and Competency in Assessment | 72 |
| <i>Teacher Grading Practices</i>  | 73 |
| <i>Teacher Assessment Competency and Standardized Testing</i>           | 73 |

|   |    |
|---|----|
| Assessment Coursework and Teacher Preparation         | 74 |
| Teacher Beliefs About Assessment Knowledge and Skills | 76 |
| Assessment Standards                                  | 77 |
| <i>Assessment Literacy Tools</i>                      | 78 |
| <i>Alternative Assessments and Purpose</i>            | 78 |
| <i>State and Federal Assessment Mandates</i>          | 79 |
| Summary   | 81 |
| References  | 81 |

## **Section 2. Technical Quality of Classroom Assessments** 85

### **Chapter 6. Validity in Classroom Assessment: Purposes, Properties, and Principles** 87

|   |     |
|---|-----|
| Perspectives on Validation of Interpretations of Assessments                | 88  |
| <i>Current Psychometric Theory of Validation</i>                            | 88  |
| <i>New Measurement Theory</i>   | 89  |
| Purposes of Classroom Assessment  | 90  |
| <i>Other Properties of Classroom Assessments</i>                            | 91  |
| The Measurement Purpose: Traditional and Interpretive Validity Arguments    | 93  |
| <i>Content-Based Evidence</i>   | 93  |
| <i>Internal Structural Evidence</i>   | 94  |
| <i>Substantive Process Evidence</i>   | 95  |
| <i>Evidence Based on Relations to Other Variables</i>                       | 96  |
| <i>Interpretive Approaches to Validating Measurement Claims</i>             | 96  |
| <i>Consequential Evidence</i>   | 97  |
| Reactive Measurement: Validity of Claims About Impacts of Assessments       | 98  |
| Five Principles for Valid Teacher Inferences Based on Classroom Assessments | 99  |
| 1. <i>Assessment Should Be Aligned With Instruction</i>                     | 99  |
| 2. <i>Bias Should Be Minimal at All Phases of the Assessment Process</i>    | 100 |
| 3. <i>Assessment Processes Should Elicit Relevant Substantive Processes</i> | 100 |
| 4. <i>Effects of Assessment-Based Interpretations Should Be Evaluated</i>   | 100 |
| 5. <i>Validation Should Include Evidence From Multiple Stakeholders</i>     | 101 |
| Systemic Validity: A Validation Principle for Teachers?                     | 101 |
| Summary and Recommendations for Research                                    | 102 |
| References  | 103 |

### **Chapter 7. Reliability in Classroom Assessment** 107

|   |     |
|---|-----|
| Traditional Conceptions of Reliability Applied to Classroom Assessment                          | 107 |
| <i>Reliability of Scores From Classroom Assessments</i>   | 110 |
| <i>Strategies for Reducing Measurement Error in Classroom Assessment</i>                        | 111 |
| Questioning the Compatibility of Traditional Reliability and Classroom Assessment               | 111 |
| <i>More Congruent Applications of Psychometric Approaches to Classroom Assessment</i>           | 112 |
| <i>The Incommensurability of Traditional Reliability and Assessment as/for Learning</i>         | 114 |
| Reconceptualizing and Researching Reliability in Classroom Assessment                           | 115 |
| <i>Key Concepts Guiding the Development of Reliability</i>                                      | 115 |
| <i>Currently Proposed Directions for the Development of Reliability in Classroom Assessment</i> | 116 |
| <i>Implications for Teachers</i>  | 117 |
| <i>Fruitful Directions for Research</i>   | 119 |
| Conclusion  | 119 |
| References  | 120 |

|   |            |
|---|------------|
| <b>Chapter 8. Fairness in Classroom Assessment</b>  | <b>125</b> |
| The Multiple Meanings of <i>Fair</i>  | 126        |
| The Evolution of Fairness in Testing  | 127        |
| Overview of Literature Relating to Fairness in Classroom Assessment   | 128        |
| <i>Conceptual Literature</i>  | 129        |
| <i>Empirical Literature</i>   | 131        |
| Aspects of Fairness in Classroom Assessment   | 133        |
| <i>What's Not Clear About Transparency</i>  | 134        |
| <i>Differences in Students' Opportunities</i>   | 134        |
| <i>Equal or Equitable for All</i>   | 135        |
| <i>Critical Reflection on the Go</i>  | 136        |
| <i>Classroom Environment</i>  | 137        |
| Conclusion  | 138        |
| References  | 139        |
| <b>Chapter 9. Measuring Classroom Assessment Practices</b>  | <b>145</b> |
| Using Measures of Classroom Assessment  | 145        |
| Measuring Classroom Assessment Knowledge and Practices  | 146        |
| <i>Teacher Pedagogical Content Knowledge</i>  | 146        |
| <i>Classroom Assessment Practices</i>   | 147        |
| Measurement Issues and Classroom Assessment Practices   | 149        |
| <i>Observations</i>   | 149        |
| <i>Interviews</i>   | 150        |
| <i>Self-Reports</i>   | 151        |
| <i>Artifact-Based Measures</i>  | 151        |
| <i>Tests</i>  | 152        |
| Existing Measures of Classroom Assessment Practices   | 153        |
| <i>Observational Instruments</i>  | 153        |
| <i>Self-Reports</i>   | 153        |

## **Section 4. Summative Assessment** **233**

### **Chapter 14. Research on Classroom Summative Assessment** **235**

|  |     |
|--|-----|
| Setting the Context: The Research on Summative Classroom Assessments   | 235 |
| <i>Teachers' Classroom Assessment Practices, Skills, and Perceptions of Competence</i>                                     | 236 |
| <i>A Gap Between Perception and Competence</i>   | 236 |
| Two Reviews of Summative Assessment by the Evidence for Policy and Practice Information and Co-Ordinating Centre           | 237 |
| <i>Impacts of Summative Assessments and Tests on Students' Motivation for Learning</i>                                     | 237 |
| <i>Impact of Summative Assessments on Students, Teachers, and the Curriculum</i>   | 238 |
| Review of Recent Research on Classroom Summative Assessment Practices  | 239 |
| <i>Theme One: Students' Perceptions of the Classroom Assessment Environment Impact Student Motivation to Learn</i>         | 239 |
| <i>Theme Two: Teachers' Summative Assessment Practices and Skills Impact Teacher Effectiveness and Student Achievement</i> | 244 |
| <i>Theme Three: Many Factors Impact the Accuracy of Teachers' Judgments of Student Achievement</i>                         | 249 |
| Discussion and Recommended Research  | 251 |
| References   | 253 |

### **Chapter 15. Grading** **257**

|   |     |
|---|-----|
| Basic Terms and Concepts  | 257 |
| Research on Conventional Grading Practices                                | 258 |
| <i>An Inauspicious Beginning</i>  | 258 |
| <i>Previous Reviews of Literature</i>                                     | 259 |
| <i>Review of Current Literature on Conventional Grading Practices</i>     | 260 |
| Research on Grading in Special Education                                  | 265 |
| <i>Personalized Grading Plans</i>   | 266 |
| <i>Inclusive Grading Model</i>  | 267 |
| Research on Contemporary Standards-Based Grading Practices                | 267 |
| <i>Evaluation of Professional Development in Standards-Based Grading</i>  | 268 |
| <i>The Quality of Information Communicated Via Standards-Based Grades</i> | 268 |
| <i>Conclusion</i>   | 269 |
| Conclusion and Recommendations for Future Research                        | 269 |
| References  | 270 |

## **Section 5. Methods of Classroom Assessment** **273**

### **Chapter 16. Constructed-Response Approaches for Classroom Assessment** **275**

|   |     |
|---|-----|
| Definitions of Constructed-Response and Selected-Response                 |     |
| Item Formats  | 275 |
| <i>Textbook Definitions of Constructed-Response and Selected-Response</i> |     |
| Item Formats  | 275 |

|   |     |            |
|---|-----|------------|
| <i>Definition of Constructed-Response in the Standards for Educational and Psychological Tests</i>                  | 276 |            |
| <i>Terminology in Major Testing Programs</i>  | 276 |            |
| Examples of Constructed-Response Items  | 277 |            |
| Teachers' Uses of Constructed-Response Items  | 279 |            |
| <i>Studies of Teacher Use of Constructed-Response Items</i>   | 279 |            |
