

READER'S GUIDE

This list classifies main entries and sidebars into these categories: Applied Anthropology, Archaeology, Biography, Cultural/Social Anthropology, Evolution, Geography/Geology, Linguistics, Paleontology, Philosophy, Psychology, Physical/Biological Anthropology, Religion/Theology, Sociology, Research/Theoretical Frameworks. Some entries may appear in more than one category.

Applied Anthropology

Action anthropology
Aesthetic appreciation
Affirmative action
ALFRED: The ALlele FREquency Database
Anthropology and business
Anthropology and the Third World
Anthropology, careers in
Anthropology, clinical
Anthropology, economic
Anthropology, history of
Anthropology, practicing
Anthropology, social
Anthropology, visual
Artificial intelligence
Bioethics and anthropology
